or 150,000 km

Fearless by nature

The all new Toyota Starlet, upgraded and now even more stylish. Feel the energy and the sportiness that comes from its dynamic and energetic silhouette with polished chrome accents. Its wider and higher body offers more stability with an improved ground clearance of 150mm (under cover); 170mm (suspension frame).

Deluxe model shown.

Sporty front bumper with chrome grille.

Automatic LED headlamp for more visibility.

Auto-retractable mirrors with built in indicators, fold inwards when parked.

Bold 16" alloy wheels with polished surface.

Comfortably yours

Enjoy the elegant upholstery and the clean lines of the dashboard that give the interior a classy look. Expect maximum comfort, easy driving and total convenience thanks to the automatic air conditioning, electric windows, and a central console with a sliding armrest. The steering wheel is easily adjustable complemented by the 190mm of front legroom ensuring you find your perfect driving position.

Deluxe model shown.

Steering wheel controls for easy access to audio & call functions.

Automatic front and manual rear air conditioning maximizes the cabin comfort.

The advanced 4.2" colour LCD Multi-Information display shows important information at a glance.

Your needs spaciously fulfilled

Adapt the Starlet to your needs and enjoy its functionality. Rear passengers have a comfortable 200mm of legroom. The rear seats fold down in a 60/40 split effortlessly, leaving plenty of room for larger loads. Expect more space.

Up to 1085L trunk capacity when rear seats are folded.

Center console with sliding armrest.

Front and rear door storage holding up to 1L for more convenience.

Thrilling Power

1.5L PETROL ENGINE (K15B)

4-speed automatic transmission

TORQUE (Nm/rpm)	POWER (HP/kw)	DISPLACEMENT (cm ³)
138/4400	105/77	1462

Powering the all new Toyota Starlet is a larger, more powerful, and more economical 1.5L four-cylinder petrol engine. Designed to deliver maximum energy and efficiency.

Engine Start & Stop button

Gets your car started while your key remains in your pocket or bag.

4-speed AutoTransmission (4AT)

Enhance your driving convenience with a clutch-less drive, improving fuel efficiency.

The new age of technology

Enjoy the full Toyota experience with all the latest technology at hand. For more modernity, the dashboard integrates a multimedia touchscreen up to 9" which brings together the whole driver assistance system.

Bluetooth, USB, AUX connectivity
Connect your smartphone and listen to your favourite music on the 4 speakers and 2 tweeters while charging your devices.

Reverse camera with parking sensors
Afford you that special awareness when parking in those tricky spots.

Play it Safe

The new Toyota Starlet delivers utmost confidence by making sure all occupants are protected by a complete package of active and passive safety features.

Total Effective Control Technology (TECT)

Body structure is built using high steel for high rigidity which results in effective absorption and dispersion of crash energy. It offers enhanced safety for occupants without compromising on efficiency.

The All New *STARLET*

Rear parking sensors

Avoid bumps and scrapes when parking.

ISOFIX child restraint system

Designed to secure baby seats to the rear seat. Keeping your loved ones safe.

Airbags

Ensuring safety with driver and passenger airbags. The Deluxe model also includes side and curtain airbags.

Cruise control

Keeps your vehicle at a selected constant speed making long journeys safe and comfortable.

Turning radius

Enjoy agile turns even in congested places.

Electronic Brakeforce Distribution (EBD)

Distributes braking pressure to each wheel in order to maximize stopping power.

COMPLETE PEACE OF MIND WITH TOYOTA

Toyota Quality Service

Your Toyota dealership will advise you on your vehicle's service requirements. It will need a health and safety check at least once a year. An intermediate check is necessary every year or 10,000 km.

Toyota Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimize your maintenance costs. This includes fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible so that maintenance labor time is less and pricing is competitive.

Toyota Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle. If the vehicle is damaged, its design helps minimize the cost of repair because the most expensive to replace parts are deliberately located away from common damage zones. The result is ultimately less expensive for parts and labor.

Toyota Accessories

Toyota genuine accessories are designed and manufactured with the same care, quality and attention to detail as Toyota Vehicles. Adding a touch of style, comfort, convenience and practicality, they are tested for exceptional durability to enhance the enjoyment of your new vehicle. All accessories are covered by a 1-year warranty.

Toyota Comprehensive Warranty

Every new Toyota comes with a 5 years or 150,000 km vehicle warranty, which covers any defect caused by a manufacturing fault. Transport to the nearest authorized Toyota repairer will also be covered.* In addition, paint warranty protects against defects and surface rust caused by a manufacturing fault except load bin's which are covered by a 5 year with unlimited mileage corrosion - perforation warranty* against corrosion of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous five-minute attack test. The alarm system and engine immobilizer are approved by major insurance companies.

*Check with your dealership for specific warranty details.
