URBAN CRUISER

TOYOTA

A New Generation of Class-Leading Compact SUV

Energetic Confident & Powerful

The Urban Cruiser has a bold new exterior design with an adventurous body and athletic stance - ready for all your journeys.

With a class-leading turning radius of 5.2m, the Urban Cruiser gives you ease of maneuverability even in congested spaces.

This compact SUV gives you the freedom to move.

Turn signals within the side mirrors improve safety and deliver striking design.

The LED projector headlamps provide increased brightness and therefore, superior visibility.

The dynamic and sophisticated grill emphasizes the confident and energetic Urban SUV stance.

Luxurious Cabin Comfort

Enjoy the luxurious upholstery and clean lines of the dashboard giving you a classy interior look. Adding a touch of sophistication is the user-friendly instrument panel and leather steering wheel.

With the adjustable steering and the 290mm front legroom, find the perfect driving position for your journey.

Armrest

Armrest. Supporting the arm comfortably while driving and offering additional storage.

Steering wheel control

Steering wheel controls allow the driver access to audio and connectivity functions while staying focused on the road ahead.

Advanced dashboard

The multi-function drivers display is clear and focused on the information that matters most.

Space & Comfort

Enjoy a compact SUV with very generous leg and head room. With a luggage space of 328L, you are guaranteed to have ample room to pack for all your trips. With the 60/40 rear seat split you have easy accessible and expandable boot space.

328L

Luggage space (rear seats up)

40/60

Rear seat split increasing luggage space. Seats fold down in seconds with minimal effort.

Advance Safety

Because safety is a priority, the New Urban Cruiser comes standard with next level safety features.

TECT body

Total Effective Control Technology (TECT). The body design centers on the TECT concept, resulting in a structure that efficiently absorbs and disperses the energy in the event of a collision.

ABS

Anti-lock Braking System (ABS), helping the driver to maintain steering control when braking on slippery roads.

SRS Airbags

The Urban Cruiser comes standard with Driver and Passenger airbags keeping you safer on your journeys.

EBD

Electronic Brake Force Distribution (EBD) is a further advancement of ABS that optimizes the braking force at each wheel to help the driver maintain control and stop in the shortest possible distance and time.

1.5L Petrol Automatic

1462cc

Power

103/77

HP/kW

Torque

138

Nm

The in-line 4 cylinder, 1.5L engine offers a smooth and exhilarating drive designed to deliver maximum driver engagement.

Best Technology

Be connected

A compact SUV full of all the technology you expect from an SUV. Use your mobile's capabilities while concentrating on the road and stay safe with voice commands. Easy to connect giving you full control of multimedia features including audio, hands-free phone, reverse camera and smartphone integration. Enjoy your Toyota experience keeping complete control at your fingertips.

The Multi Information Display

Displaying useful on the go information to the driver such as fuel consumption, fuel consumption history and driver specific alerts.

Effortless Communication

Enjoy the advanced 7" touch-screen infotainment system with Android Auto or Apple Car Play. Giving you access to navigation and all of the best music straight from your phone.

Rear View Camera.

Enjoy parking with ease with the rear view camera displaying on the 7" touchscreen giving you a clear view.

Speakers.

Listen to your favourite music thanks to the 4 speakers and 2 tweeters. Providing you with a surround sound experience.

Exciting Features

All the best and exciting features to give you the comfort and sophistication you need and want from your SUV, without the large price tag. From push start and electric windows to cruise control and navigation, the Urban Cruiser will surpass your expectations.

Electrochromic IRVM. Makes driving during the night easy by automatically adjusting the inside mirror angle to avoid glare.

The Automatic air-conditioning system maintains the humidity and cabin temperature at an optimum level to ensure maximum comfort.

Airbags. The Urban Cruiser comes standard with dual front-seat airbags keeping you safe.

USB & AUX connectivity. Connect your mobile phone to enjoy your media or easily charge your devices while on the go.

Yoke control. Controlling your mobile phone with buttons available at your finger tips. Keeping you connected and safe.

Start and Stop. A premium feature for starting the car with the push of a button.

Navigation. Connect your mobile to the infotainment system and access google maps to find your way while exploring.

Rain-sensing Wipers. Automatic wipers that sense rain water on the windshield and start to enhance your safety.

Cruise control. Maintain your speed with steering controls to keep your eyes safety on the road.

Electric windows. Open your windows with a single touch.

Specifications

The all new Toyota Urban Cruiser gives you the best features whether you drive in peak hour traffic or explore untraveled roads.

Steering	Rack & Pinion

A turning radius of 5.2 m offers ease of taking turns even in congested places.

4 speed Automatic transmission

Enhances the driving convenience with clutchless driving, especially for driving in city traffic.

COMPLETE PEACE OF MIND WITH TOYOTA

Toyota Quality Service

Your Toyota dealership will advise you on your vehicle's service requirements. It will need a health and safety check at least once a year. An intermediate check is necessary every year or 5,000 km.

Toyota Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimize your maintenance costs. This includes fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible so that maintenance labor time is less and pricing is competitive.

Toyota Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle. If the vehicle is damaged, its design helps minimize the cost of repair because the most expensive-to-replace parts are deliberately located away from collision-damage zones. The result is ultimately less expense for parts and labor.

Toyota Accessories

Toyota genuine accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Adding a touch of style, comfort, convenience and practicality, they are tested for exceptional durability to enhance the enjoyment of your new vehicle. All accessories are covered by a 1-year warranty.

Toyota Comprehensive Warranty

Every new Toyota comes with a 3 years or 50,000 km vehicle warranty, which covers any defect caused by a manufacturing fault. Transport to the nearest authorized Toyota repairer will also be covered. In addition, a 3 years or 100,000 km paint warranty protects against defects and surface rust caused

by a manufacturing fault (except lead-burn which are covered for 1 year). Every Toyota commercial vehicle is covered by a 3 years with unlimited mileage corrosion/perforation warranty* against corrosion of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous five-minute attack test. The alarm system and engine immobilizer are approved by major insurance companies.

Check with your dealership for specific warranty details.
